

## TECHNICAL SPECIFICATIONS\*

| VARIANT                   | DCT (DUAL CLUTCH TRANSMISSION)             |  | MT (MANUAL TRANSMISSION) |        |
|---------------------------|--------------------------------------------|--|--------------------------|--------|
| ENGINE                    |                                            |  |                          |        |
| Type                      | Liquid-cooled, 4 Stroke, SI Engine         |  |                          |        |
| No. of Cylinders          | 2                                          |  |                          |        |
| Valve System              | Overhead Camshaft (OHC) Type               |  |                          |        |
| Displacement              | 1082.96 cc                                 |  |                          |        |
| Max Power                 | 73.0 kW @ 7500 rpm                         |  |                          |        |
| Max Torque                | 103 N-m @ 6000 rpm                         |  |                          |        |
| Fuel System               | Fuel Injection                             |  |                          |        |
| Bore X Stroke             | 92.000 x 81.455                            |  |                          |        |
| Compression Ratio         | 10.0 : 1                                   |  |                          |        |
| BODY DIMENSIONS           |                                            |  |                          |        |
| Dimension (LxWxH)         | 2307 mm x 963 mm x 1523 mm                 |  |                          |        |
| Wheelbase                 | 1558 mm                                    |  |                          |        |
| Kerb Weight               | 249 kg                                     |  |                          | 239 kg |
| Ground Clearance          | 210 mm                                     |  |                          |        |
| Seat Height               | 830 - 810 mm (Adjustable)                  |  |                          |        |
| Fuel Tank Capacity        | 24.5 L                                     |  |                          |        |
| TRANSMISSION              |                                            |  |                          |        |
| Clutch Type               | 2 Multiplate Wet Clutches                  |  | Multiplate Wet Clutch    |        |
| Gear Box (Type)           | Automatic Dual Clutch Transmission         |  | Manual Transmission      |        |
| No. of Gears              | 6                                          |  |                          |        |
| TYRES                     |                                            |  |                          |        |
| Tyre Size (Front)         | 90/90-21M/C (54H)                          |  |                          |        |
| Tyre Size (Rear)          | 150/70R18M/C (70H)                         |  |                          |        |
| BRAKES                    |                                            |  |                          |        |
| ABS System Type           | ABS 2-Channel with rear ABS Off-Switch     |  |                          |        |
| Brake Type & Size (Front) | Hydraulic Double Disc 39.6 cm <sup>2</sup> |  |                          |        |
| Brake Type & Size (Rear)  | Hydraulic Disc 30.6 cm <sup>2</sup>        |  |                          |        |
| FRAME & SUSPENSION        |                                            |  |                          |        |
| Frame Type                | Semi Double Cradle                         |  |                          |        |
| Front Suspension (Type)   | Telescopic                                 |  |                          |        |
| Rear Suspension (Type)    | Pro-Link                                   |  |                          |        |
| ELECTRICALS               |                                            |  |                          |        |
| Battery Type              | Lithium-ion                                |  |                          |        |
| Battery Rating (Ah)       | 12V, 6Ah                                   |  |                          |        |
| Head lamp                 | LED                                        |  |                          |        |
