THE BEIJING STORY

BAIC has, over the last 60 years, revolutionised the motor industry in China to become the 5th largest automobile manufacturer in China, offering the largest commercial vehicle range and holding a leading position in the new energy vehicle market.

The BEIJING range itself leads the way in the SUV market and has become the prototypical off-road vehicle in China. Innovation, design and technology are the cornerstones of the BEIJING Brand and this has successfully been achieved in collaboration with Daimler through the 'BEIJING Benz' joint venture.

BEIJING has always been committed to the spirit of ingenuity to create the most powerful, quality vehicles in the off-road and SUV markets. The BEIJING X55 excels in its styling, power, technology-rich specifications, safety and comfort.

BEIJING X55
Transform your world.

REVOLUTIONARY

SPORTS STYLING

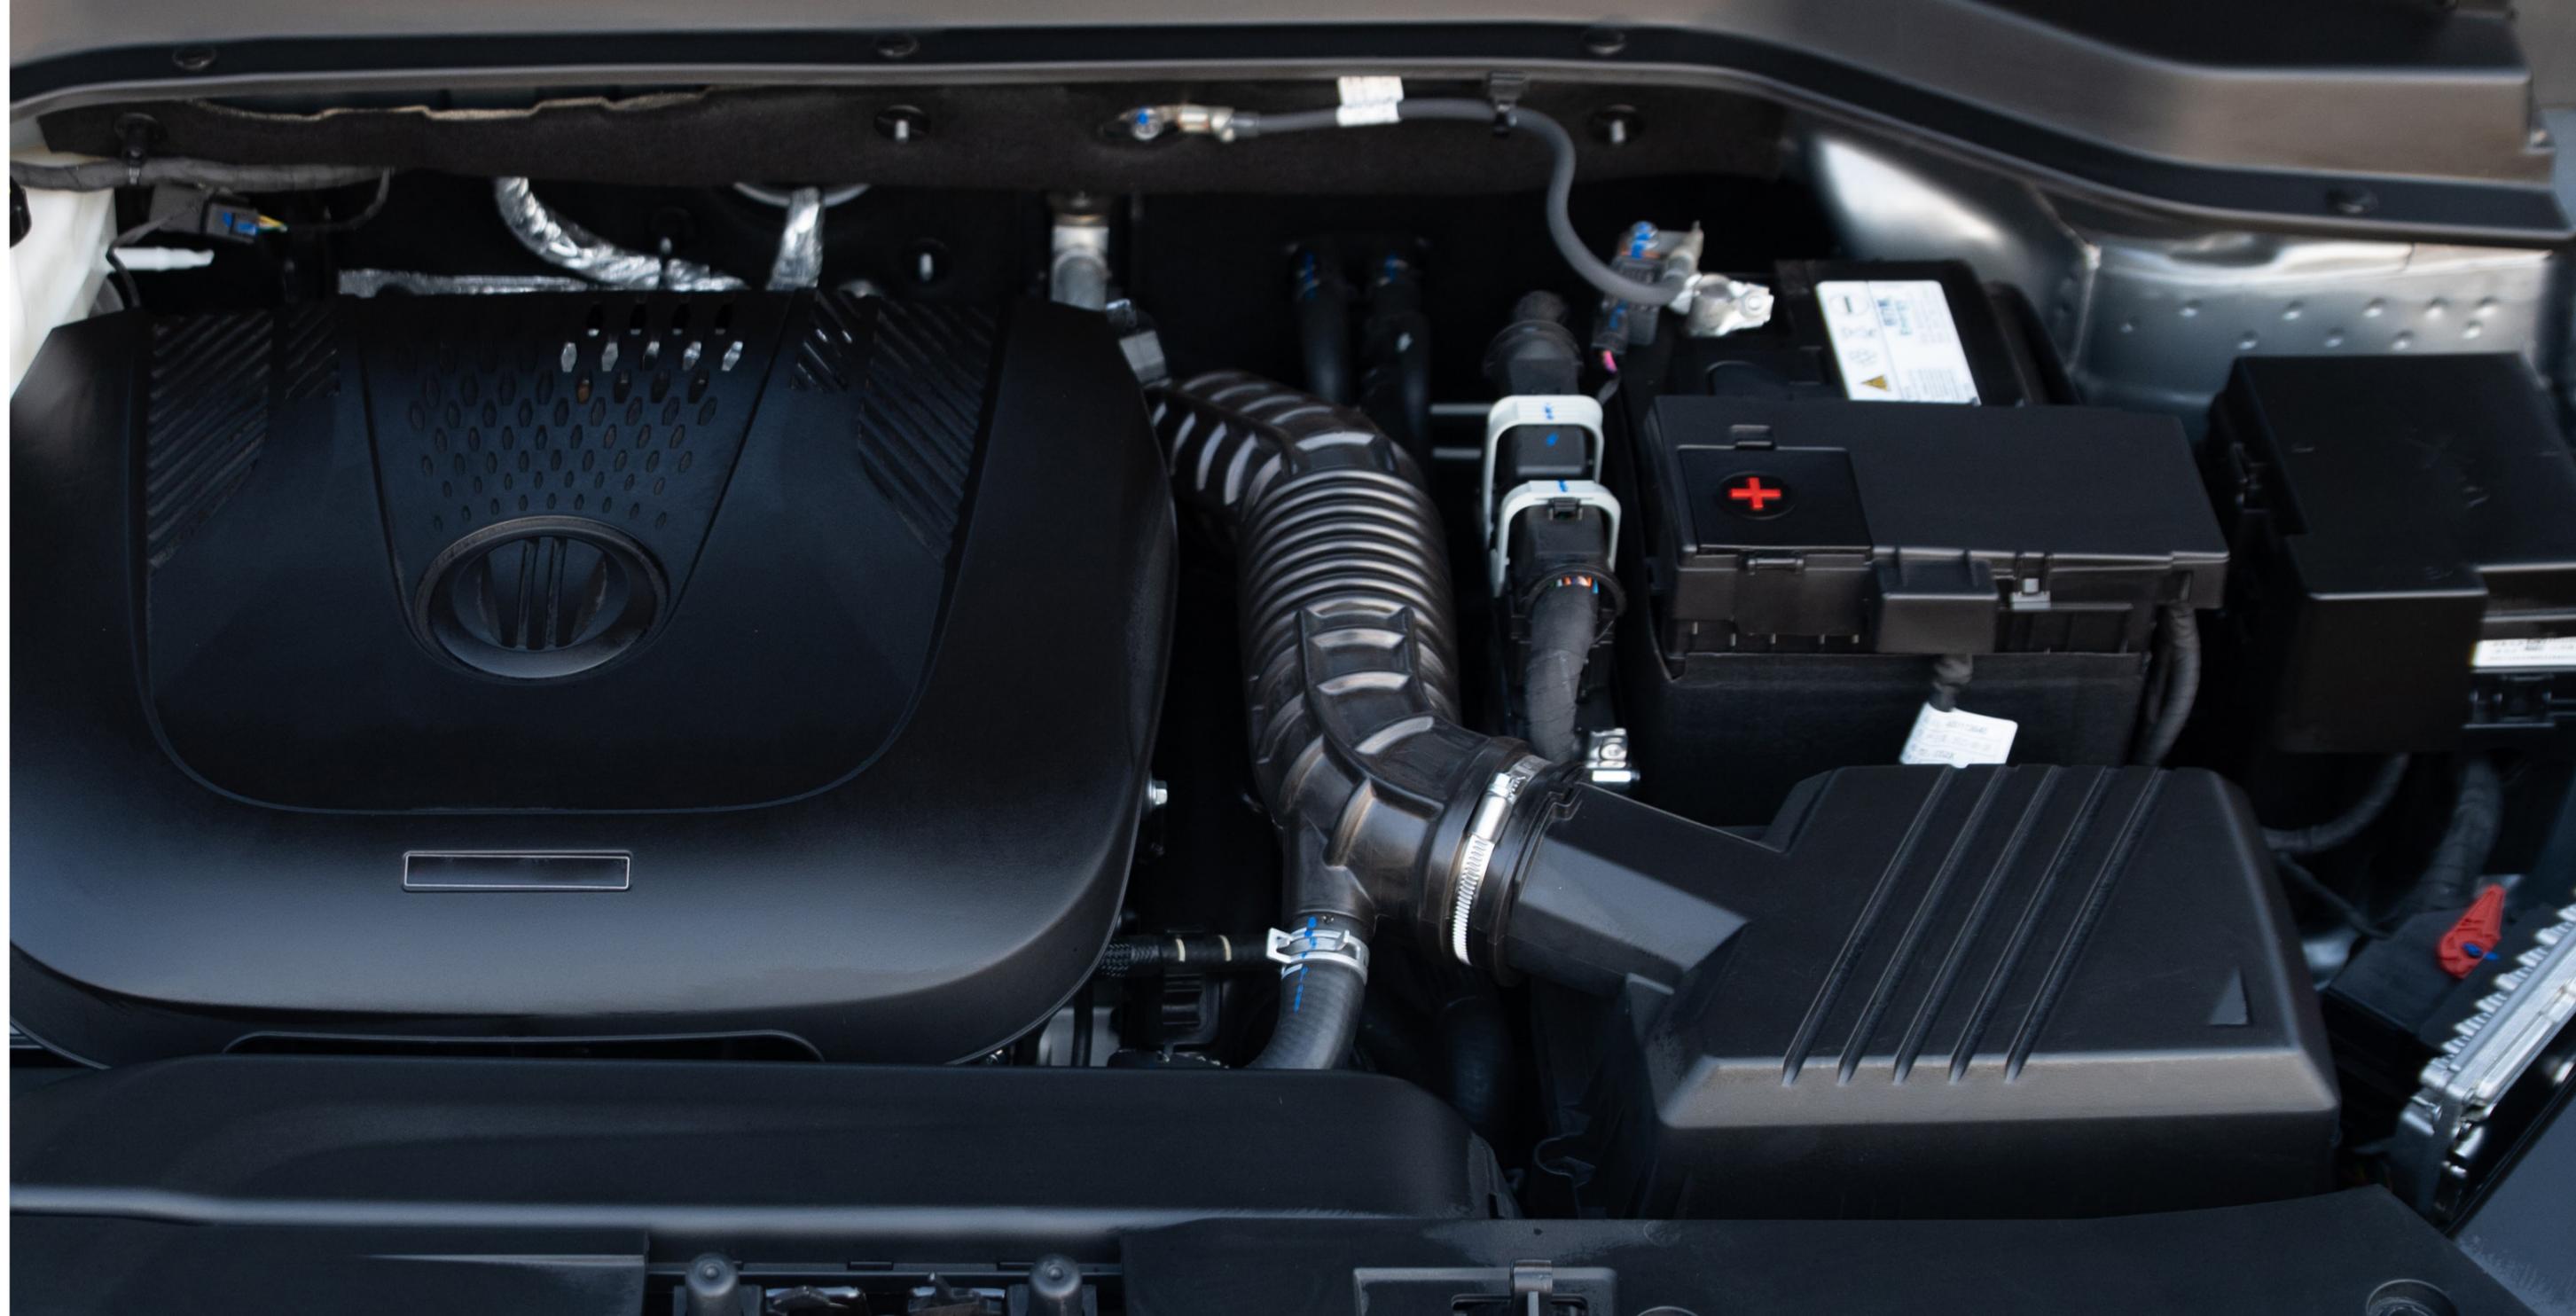

The BEIJING X55 will transform your world with its innovative, unique and trendy sports styling, highlighted by the sophisticated sculptural surfaces artfully combined with softer, modern curves. It offers best-in-class finishes, a borderless, low-wind resistance grille, expansive sloping windscreen, convenient and elegant split rear wing, concealed door handles and wipers, level chassis and so much more to deliver an exceptional driving experience.

AESTHETIC HIGHLIGHTS

- LED lights
- Concealed, integrated door handles
- Convenient and elegant split rear wing (spoiler)
- Shark fin antenna
- Panoramic sunroof
- Space engine-style air vents
- Aircraft-style gearshift lever
- 3D ambient light effect on door panels

STYLISH AND SPORTY

EXCEPTIONAL PERFORMANCE

Powered by the award-winning Magic Core 1.5T engine, it offers the advantages of a smoother power output, lower fuel consumption, reduced noise, and exceptional high-speed power. It is the industry's first mass-produced engine equipped with VGT supercharger technology matched with a 7-speed dual-clutch transmission.

All in all, the BEIJING X55 offers an exciting, powerful, fuel efficient drive that is whisper quiet and undeniably luxurious.

POWER:

0-100km/h in 7.8 seconds, making the X55, the fastest car in its class.

FUEL CONSUMPTION:

At 7.18l/100km it offers some of the lowest fuel consumption in its class.

ICONOGRAPHY:

VGT (Variable Geometry Turbine) booster technology offers a significant increase of boost pressure and a broader torque plateau while maintaining exceptional drivability and control.

HIGH ROLL RATIO AIRWAY

The 350-bar high pressure injection, along with the Miller Cycle, ensures better fuel efficiency and lower CO2 emissions.

SMART

TECHNOLOGY

The BEIJING X55 delivers a showcase of carefully considered and intelligent technological features for a truly user-friendly driving experience.

The interior styling emphasises the sense of futuristic technology and the center console adopts an asymmetrical design with a series of cleverly designed instrument panels allowing you to select and adjust settings effortlessly.

This innovative car includes a speed sensing sound compensation system, a bezel-less manual anti-glare inner mirror, driver and passenger visor with cosmetic mirrors and so much more.

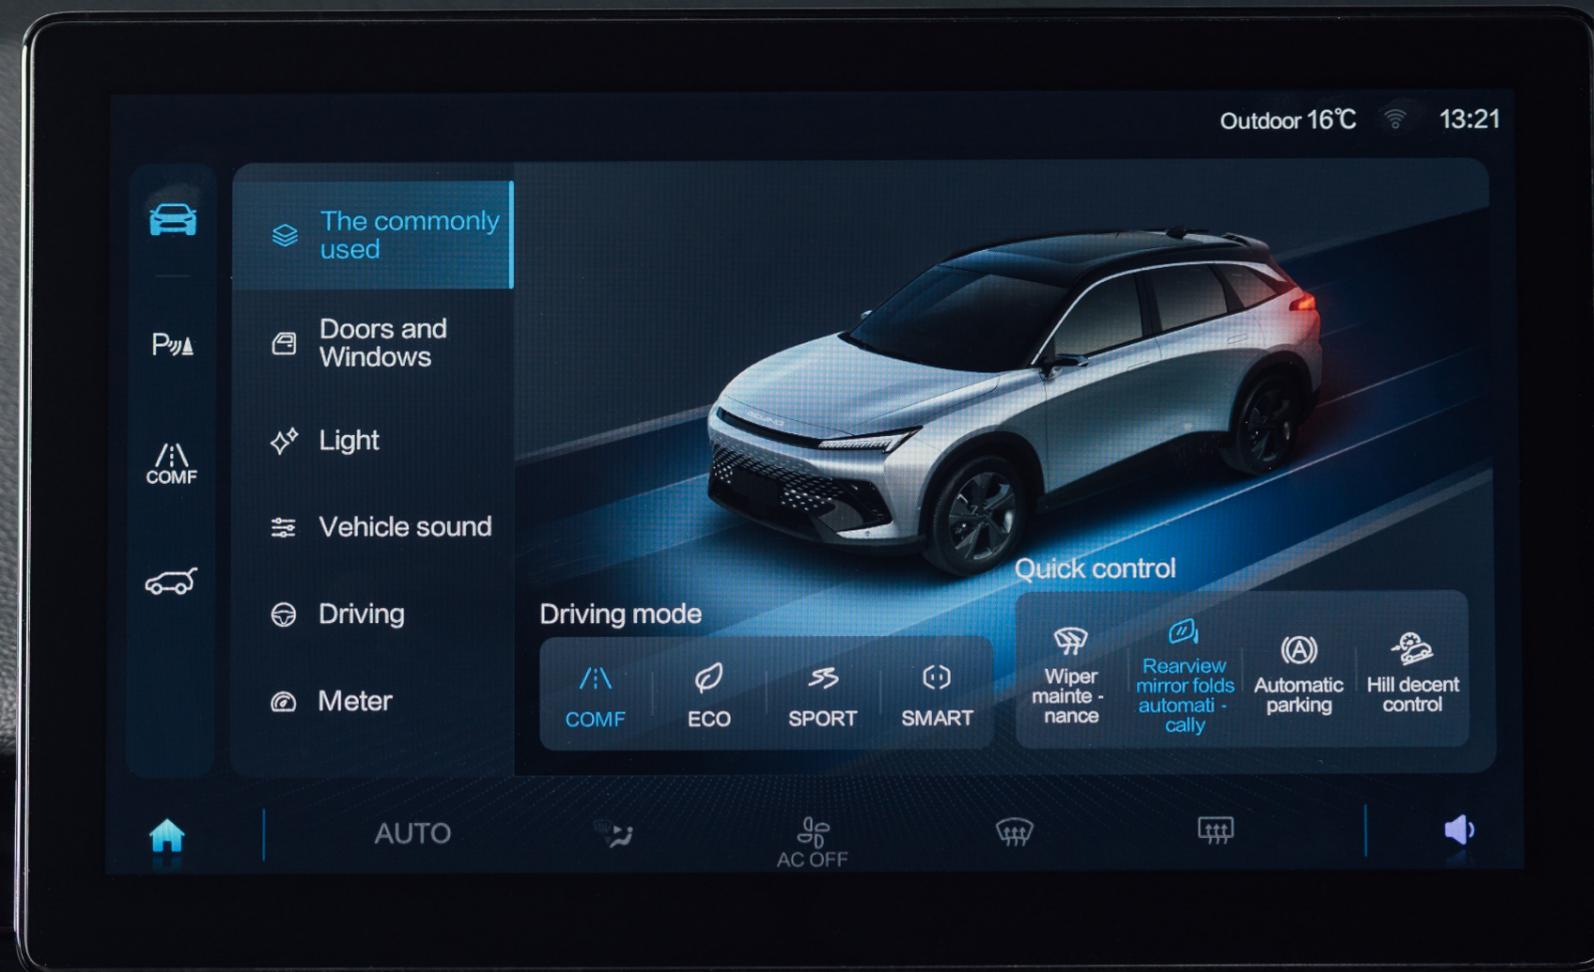

The BEIJING X55 will enthrall you... from the premium finishes to the encompassing sensory experience, the interior will envelope you in comfort and style. Fitted with a 10.1-inch central control screen and a 10.25-inch LCD instrument screen, it will transform your world of driving.

STANDARD FEATURES INCLUDE:

- Drivers' seat welcome/memory for multiple drivers needs
- Heated and ventilated front seats for warmth in winter and coolness in summer
- 4-way electrical lumbar support for your lower back
- 2-level incline rear backrest adjustment

ADDITIONAL CONFIGURATION FEATURES:

- A contactless key with start-stop button functionality
- The windows and exterior mirrors can be centrally adjusted by the driver for true convenience
- The panoramic sunroof (standard on Premium and Elite models) provides natural lighting inside the cabin and an overall airy feeling

THOUGHTFUL AND TECHNOLOGICAL

UNCOMPROMISING **SAFETY**

The BEIJING X55 boasts the highest level of safety protocols available to protect occupants in the event of a collision. Using Bosch's 9.3 latest generation ESP system with front and rear sensors, the BEIJING X55 promises true peace of mind and meets the toughest of China's safety test standards.

FULL VEHICLE RESTRAINT SYSTEM DESIGN

- 6 airbags
- Front and rear pre-tensioning force limiting seat belts

SUPER CRASH RESISTANT BODY DESIGN

- High strength steel fortress body
- Three force transmission paths

STANDARD SAFETY FEATURES

- ABS Brakes
- EBD (Electronic Brakeforce Distribution)
- EBA (Emergency Braking Assist)
- EPB (Electronic Parking Brake)
- Hill Hold Control
- Hill Descent Control
- Drowsy Driver Warning System
- Crash Auto Door Unlock
- TPMS (Tyre Pressure Monitoring System)

HUMAN-CENTRED **COMFORT**

The BEIJING X55's spacious interior offers some of the most innovative and human-centred features that will ensure every journey is an incredible driving experience.

ZERO GRAVITY INTEGRATED SPORTS SEATS

The ergonomically designed and stylishly embroidered sports seats offer 5 different firmness levels including 10 sections with 136 control points to deliver the perfect fit.

SENSING PANORAMIC SUNROOF

Providing a light-gathering area of 0.81 m² with an automatic closing function when it rains, when the car is locked or when travelling at high speeds, this sunroof is practical indulgence.

BABY-CARE GRADE INTERIOR MATERIALS

Using only the finest interior materials, the BEIJING X55 meets the >99% anti-bacteria rate; the same environmental health standards as the interior of domestic refrigerators.

SOFT-CLAD INTERIOR FINISH

The carefully crafted interior is soft in all the right places and guarantees high-end styling with unrestrained comfort.

ROADSIDE ASSISTANCE

The Beijing X55 comes with a five-year, unlimited kilometre roadside assistance provided by the AA when purchased from an official BAIC SA franchise dealer. Warranty scope and labour rate are subject to the aftersales bulletin published by BAIC SA.

ABOUT BAIC

Beijing Automotive Industry Corp. (BAIC) is a prominent automobile manufacturer in China, established in 1958 and headquartered in Beijing. The company has evolved into a major state-owned enterprise, engaging in the research and development, manufacturing, and trade of complete vehicles, parts, and components. BAIC also offers integrated mobility services, financial investments, and general aviation.

With its commitment to innovation, BAIC focuses on electrification, intelligence, connectivity, and shared mobility solutions. The company ranks 193rd on the Fortune 500 list, highlighting its significant influence in the automotive industry.

BAIC South Africa launched in 2016 through a joint venture with the Industrial Development Corporation (IDC), representing the largest single investment in South Africa's automotive sector. Since then, the company has established a local manufacturing and assembly plant in Gqebera and built a network of 48 dealerships across the country and 2 cross border dealerships.

Two of BAIC's flagship models, the BEIJING X55 and the B40 PLUS, have directly generated over 1,000 jobs and indirectly created an additional 5,000 jobs in South Africa. BAIC SA is poised to significantly enhance the economy of Nelson Mandela Bay through further investment while providing BAIC Group with a strategic manufacturing and export base to advance its global strategy.
